ATTENTION PARENTS

The AMC Summer Music Camp is a unique learning situation where individual expression and team-work go hand in hand. In order to help your child get the most out of their time with us, we ask that you provide us with information regarding any learning, behavioral or personal difficulties they may have. Please include this information on a separate piece of paper and attach it to the health form. Any information you provide will be kept in confidence and will only be used to help provide a healthy environment for your child. If we are not aware of your child's needs, we cannot help. Being away from family for a period of time may be stressful for some younger students. We want to provide the most supportive, positive experience possible. With your help, we can make this program one of the most enjoyable educational experiences that your child has ever had.
